

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Our heater went out on a very cold night. Mike Keaton came out first thing in the morning and he got it running so our house could be warm again. Mike M and Gerry B. were very prompt arriving and installed a new heater. They were very friendly and the service was excellent. I would not hesitate to recommend your company and employees to our friends.
