

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

We received one of your ads in the mail and called to see if we could get a deal on an air conditioner. Mike Keaton came out Saturday evening and we agreed to have one installed on Monday. Since Mike and Jerry were so nice and did such a good job, we requested they be the installers again. Jerry arrived here at 0900 in a heavy snowfall. He set up his canopy and went to work. We were very satisfied with the product and their workmanship.
