It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: I am a woman who is pretty much house bound, and Andrey put up with my non-stop chatter & questions and never once made me feel like I was bothering him or in his way. By the time he left here, he was my pit bull's best friend. He was friendly and polite, and you could just tell it came naturally, and was not forced. He had an air about him that ^{told} you could trust him and didn't have to watch his every move, which made the long time he was here comfortable and not a hardship. He even moved my heavy bed away from the wall for me, to expose and open the vent under the head of it. I talk alot about his demeanor & character because I've been robbed 2x- 1 home/1 on the street, so it's hard for me to trust people! HE'S A KEEPER!
