

# Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.  
Thank You

*Your people were informative & explained in detail what our problems were & how to repair them! They were courteous to and expedient - putting on slippers over their shoes. Most of all they thanked us for their business!*
