# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

*I was impressed how quickly they sized up the job and then went right to work. Both seemed to know their assignment and how to do it. They divided up the tasks and worked steadily until the entire project was finished. They didn't loaf around or take constant breaks. In fact until they were waiting for a replacement insulation blower, I didn't see them take any breaks at all. Very industrious, knowledgeable and conscientious.*

*The salesman was very knowledgeable and took time to answer all my questions.*
