We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

First, I was so impressed with the professionalism of Dan and Gerry. They were very courteous and friendly, and they spent the time to explain my many questions.

Next, Dan, who said he was not a salesman and was here to check out the insulation, gave a fine sales presentation on the furnace. Obviously I thought also when Gerry came over to install the furnace I thought "How is he going to do such a big job without a helper?" He did a fantastic job!

You should be very proud of these two fine gentlemen to represent your fine company.
