We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. *Larry H. was very knowledgeable and sincere - I felt I got a good price that the company backed their work and product all the way. Their service contract and ~~open~~ guarantee was refreshingly simple and prices reasonable. Jeremy and Stane were prompt + courteous and even brought the paperwork to me at work so I could sign it without missing work. Installation went without a hitch and they cleaned up after themselves. Everything looks and works great! Everyone I have dealt with - even on the phone - has been very friendly and provided wonderful customer service which is so lacking in today's society. I would recommend this company to anyone. ~~Thank you~~
Great job guys!!*
