

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

I was pleased with all the fellas who were involved with the installing of my new hot water tank, furnace and A/C.

Robert inspected the old ones and determined I needed new ones. Zak explained the finances real well - Shawn and Calvin installed them - They were all very friendly, courteous and professional - They were careful to cover their shoes as they went in and out of the house - Explained what they were doing - cleaned up afterwards - It was a good experience!
