

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback: as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

After making the appointment, we were called to verify the time. We appreciated that along with the fact the George was right on time. (early by a few minutes) He was very nice & professional. He sized up our needs & provided us with a workable plan. Your installers showed up right on time. (also very professional) & very quickly got to work. They did a great installation. We are very happy with the results.
