Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: _____

My wife & I had to replace our A/C unit & furnace. Both units were original equipment from when the house was built 35 years ago.

"Right Now Heating & Cooling" responded very quickly to my inquiries online. Mike Dixon came the following night & inspected the units.

The installation occurred 2 days later. Both installation workmen were very professional & respectful of our house.

There were a few curve balls getting the new furnace hooked up to the existing ductwork but it was handled with great workmanship.

We would recommend this company to all our family & friends.
