CUSTOMER COMMENTS

(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Jeff Cox, Owner
Right Now Heating and Air Conditioning

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: This is the second time I have needed your services. I was impressed by the gentleman's work ethic. There was no wasted time or movement in the installation and removal of my old water heater. He took the time to explain everything we questioned. But everyone we have dealt with from this company has so far gained our respect. We will recommend you all to anyone who need new equipment.
