

Customer Comments

It's important that we receive feedback from all our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience, good and concerning, with our staff and their experience with the organization as a whole. Below is a brief survey on our service, we would appreciate your time to prepare this and let us know how we did.

Please tell us about anything that particularly impressed you, or anything that you would suggest that we improve?

Right Now Heating & AC have been wonderful to work with. They were at my house shortly after I had called. They explained every option I had to restore or replace my AC & Furnace. The Service men were very polite & informative on my new units. I would highly recommend Right Now to anyone in need of heating or AC service.

Thanks Right Now
