# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Jeff Cox, Owner  
Right Now Heating and Air Conditioning

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: Before deciding on Right Now,  
I interviewed multiple well known  
competitors in the area. From  
web presence, initial call professionalism,  
to sales and installation, Right Now  
has held themselves to a standard  
of conduct, quality and business  
practice that is superior to  
those of it's competitors.  
They are an example of how  
business should be run. Jason Berry  
and help were dedicated and knowledgeable.  
Their work was impeccable. I will  
only use Right Now going forward  
and will recommend them to all.
