CUSTOMER COMMENTS

(THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: We were very impressed with the crew's neatness and their respectful attitudes. They swept the garage when they left on the first day even though we told them it was not necessary (they were coming back to finish later.) They patiently answered all of our questions and seemed to do great work.

We were very impressed with Brock coming out late in the evening and helping us resolve our problems with the HVAC system. Within a very short time frame we were back in "business." The professionalism was exceptional by everyone we dealt with.
