# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Right Now Heating and Air Conditioning

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: These young were very professional with their work and attitude. I felt comfortable with all the work being done. They were very timely and the work was excellent. Rich did a nice job in explaining every thing to me and I feel comfortable operating my new system. These young men can come do work for me anytime.

Thanks.  
Geoff
