

# CUSTOMER COMMENTS

## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve: Your crew arrived at time set.

I'm proud to say you have two diligent and respectful employees.

Everything went smoothly to any of us. Not knowing what was about anyway. They were careful and helpful in cleaning up after too. Joe even repaired a vent and did put gloves in my own head kitchen light.

Thanks a lot for a safe installation.
