## (THIS IS OUR REPORT CARD)

It's important that we receive feedback from our customers. It's how we better serve you in the future as well as serve others. We ask all our customers to take a few minutes and give us some feedback as to their experience with our staff and with our organization as a whole. Below is a brief survey on our service. If you would take a few moments to fill it out and return it to us, we would greatly appreciate it. Thank you!

Please tell us about anything that particularly impressed you, or anything that you would suggest we improve:

*We were very pleased with the whole experience of buying & having it installed. The presaleman came to our home on time. He explained the cost & the workings. He explained where the unit would work best for what we needed. Everyone who came the electrician man & the two workers were friendly & very professional. They answered all our questions quickly & easy for two old people. We love how it cools & does all we wanted. Our back rooms are now cool & pleasant to be in.*
